

Ciclo di Eventi Online su: 'Le Arti Performative e le Neuroscienze'

Presenta: Prof.ssa Valentina Cazzato, Unime – Cospecs

Neuroscience Meets Dance in Therapy

Inner Dancing
Online workshop

10:00 - 12:30 (GMT) *8th March 2024*

The NMDT network are pleased to announce our third workshop. Inner Dancing will focus on the neuro-cognitive processes underlying the reception and integration of signals from inside the body and feeling where the body is in space.
